Minute Record

L. 5063/12.

The Postmaster Charleville confirms the record of letters received in Barduthulla free bag. The free bag was granted to Mr. Du Molin the Hotel Proprietor as a test.

Cobb & Co. have a stage on the main road near the Hotel. It was understood this was to be done away with, and the change placed at the Hotel. I enquired at Cobb's office when in Charleville on the 31st ultimo, and was informed by the agent that it is intended to maintain the stage in charge of Mr Tattan. I enquiry I find the Groom's wife would be willing to conduct the Receiving Office at £6 per annum (attached).

Mr. Du Molin consented to take charge of the free bag as a test, but as there is now a person and building separate from the Hotel available, a Receiving Office cannot be established in the licensed premises.

The correspondence carried is at the rate of 2604 letters per annum, equivalent to a revenue of £10.17.0.

I recommend establishment of a Receiving Office at Barduthulla (Augathella Road) in charge of Mrs. A.N.Tattan at a remuneration of £6 per annum and 2 1/2 per cent commission on stamps purchased by requisition from Charleville. Controller Stores should be instructed to supply temporary seal and usual stores.

License to sell stamps by Mr. Du Molin will not then be necessary.

Mr. Du Molin and all concerned should be advised that as there is a suitable place and person apart from the licensed premises available it is intended to establish a Receiving Office at the residence of Mrs. A. M Tattan, at the mall change. The free bag will therefore cease from date of opening.

The name "Barduthulla" is acceptable from a postal point of view. Map with position indicated is attached and should be referred to Lands Department for approval in the name of proposed Receiving Office.

License to sell stamps by Mr. Du Molin will not then be necessary.

Mr. Du Molin and all concerned should be advised that as there is a suitable place and person apart from the licensed premises available it is intended to establish a Receiving Office at the residence of Mrs. A. M Tattan, at the mall change. The free bag will therefore cease from date of opening.

The name "Barduthulla" is acceptable from a postal point of view. Map with position indicated is attached and should be referred to Lands Department for approval in the name of proposed Receiving Office.
